blue pages

Feeling blue need no larger mean being down in the dumps, or CU presents no less than thirty-two pages of buyer's information, reviews, staticals, charts, and the low-down on the Amiga scene in general. So, get ready to look, absorb and, more impartonity... learn.

Pose 260 sees the yort of our comprehensive Buyer's Guide, with sixty 'serious' products taken apart for your delectotion... Next up we have our Q&A service on mone 272. which sets out to onswer oil your mony printer, hard disk and general Amiga enquiries and ALWAYS succeeds... In keeping with our aim to solve your many problems, **Helpline** apens its doors on new 280 with valuable info on all those hard-to-beat games. Our MED coverage continues on page 282, with Mat Broomfield continuing with the second section of his three-part review... For a lighter look at the Amiga scene, Inside Info can be found on page 284 and is, as usual, stuffed with charts. lists and trivia.. Finally, we round it all off on page 288 with your points of view in Backchat.
